Some diary dates

Sunday 28th October 2018

Carve a heart Sunday - an informal cafe style meeting where we'll be carving pumpkins, making gift bags, and giving or receiving a short talk; depending on whether or not you're the speaker.

Sunday 4th November 2018

The Good Soil Trust is a great charity that we support and they're coming to share some news of their work with us. For more information, visit our website, or speak to Colin. Their latest newsletter is also on our website.

Sunday 25th November

A family lunch and a very special thank you, for all who serve and volunteer at CoCoChu, organised by Phillippa. We're grateful for each and every person who volunteers and serves. We are a body and we need each and every person, to function and work as Jesus intended. Our regular meeting at the school will be followed by lunch @ Walwyn Road. More details to follow.

Christmas Shoe-boxes

Empty shoe-boxes may be collected from Walwyn Road 10:00am -12noon (Tues-Thurs). Full boxes may be left. Also available, to help the important change from empty to full, are gifts e.g. hats, scarfs, cuddly toys; help yourself.

If you're passing a shoe shop, why not ask if they've a box to spare? Unless that injunction from last year is still in place, of course.

Where is God in the everyday?

Most people would answer 'in prayer and Bible reading'. Is this enough to allow true reflection and apply learning?

Reflection allows us to draw closer to God and see his presence in the everyday. Reflection can be aided by reading a text, meditating to music, creative artistry and more importantly conversation with others.

Home group allows us to explore God in the everyday in a friendly and safe environment. Take a step closer to God and pick up a Home Group leaflet, then complete the back page and return to Claire at the office (or email).

Mark 18:20 *"Where two or three are gathered in my name, I am there with them"*

And finally.
