Welcome to CoCoChu.....

CoCoChu "Everywhere"

All the Latest news at CoCoChu.....

Good Afternoon CoCoChuers!

This is a message for all the parents who are undertaking the powers of homeschooling / isolating/social distancing. None of us are SUPER PARENTS. This comes with its challenges longterm. We have a unique opportunity to show our children by example how we respond to a "crisis" in love. Let's do our very best and ask for Gods help to be our very best. The greatest thing we can do is to teach them to weather the storm, that hope is on the horizon and that the everyday ordinary things we take for granted will one day return.

**“Step out of the traffic! Take a long,
loving look at me, your High God,
above politics, above everything.”
Psalm 46:10**

I have put together a list of some useful resources whilst the schools are closed. We have found putting a daily routine in place with structure will be really helpful long term. Look at the bottom of this e-mail to view resources.

So.....What's been going on at CoCoChu this week:

- David J has begun putting some reflective e-mails together for us as a church including prayers. Thanks, David this is wonderful!
- We have been ramping up our social media presence for the community to provide support and a message of hope. If anyone has something they would like to share e-mail it and I will upload to Facebook and Instagram
- Jill has put together an online service structure, we hope that many more people will be able to "host" an online service from the comfort of their homes. Let's see how Sunday goes.
- The Trustees had their meeting this week on ZOOM which included a long list of very important matters for the church. Jon did a fantastic job of hosting this. It really highlights that we need more help in this area and more people serving. Thanks so much to those that attended this meeting for a "trial". We would love to hear from you - To pray - is this something God is calling you to, to serve his kingdom?
- Tim is has set-up a worship channel on youtube called "Colwall Worship" and over the coming weeks will be recording our favourite songs with words to use for online services and to share with the community. We sent one out on Facebook this week and a mum who does not come to church shared how this uplifted her -AWESOME!
- Volunteers from church have been keeping in touch with the church community over the phone. Thanks so much for your support and care for the church family during this time.
- Alice has been doing loads of fantastic stuff more details below in her section.
- The Youth Management Board is meeting tonight over ZOOM with Alice.

The final song led by Tim. Possibly a chat :-) and drink your own coffee and cake (cannot provide this virtually)

Next week we will start the beginning of our usual teaching series which Helen is sharing. We will upload this to the website for people to listen to after the Sunday service or during the week. We hope to continue our Sunday Sermon each week - where possible.

This week:

- Social Distancing Challenge -

Hi all, in light of the restrictions and instructions from the government, Colwall Youth Project is working hard to ensure that we keep youth work running and available for young people in the local and wider community. We recognise this is a difficult time for all and would love to keep spirits high.

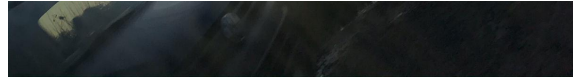

With this in mind, we will be setting social distancing challenges each week. These challenges will consist of fun tasks set by our youth workers for EVERYONE to get involved with. This includes people of all ages.

This week we have set the task of photography, the theme is 'something commonly found in the garden'.

We have had lots of entries from the young people so far but would like to invite the whole community to take part. Please feel free to participate and send your pictures in via Facebook [Alice Youth-Work](#), email (youth@colwallcommunitychurch.com) or WhatsApp (07925275769). We will be posting the entries on our Facebook and Instagram accounts.

Here are some of the young peoples photos from this weeks challenge:

Want to share in giving?

CoCoChu is entirely supported by the giving of people who come here. If you would like to speak to someone about giving, then see anyone of the leadership team who can point you in the right direction.

Our giving is totally anonymous to all but the finance team – most people give by standing order, but if you prefer there is a black box for offerings and donations on the welcome desk. If you are a tax payer please do sign a Gift Aid form to enable the church to recover tax and make the money go further. Once completed these can be put in the black box.

Bank details if you need them are: Colwall Community Church 09-01-54 73133709.

By everything I did, I showed how you should work to help everyone who is weak. Remember that our Lord Jesus said, "More blessings come from giving than from receiving." Acts 20:35
